me: ah, that's your org you mentioned?
neal: that's some stuff I am doing
me: we're making a lot of progress as well, and might have some ideas for you
me: I've been travelling but luckily have managed to recruit several people who have been able to organize our work, and we're now launching one of our sub-projects, which focuses on Africa development
me: I'll send you some updates soon
me: anyway, I'll link to this from True/Slant perhaps later today
neal: sure
neal: it's out in the open for all to see
